

Erwin Wiens commitments in 2022 forums

- Protect Niagara-on-the-Lake's Greenbelt and specialty-crop designation.
- Support agricultural viability and irrigation infrastructure.
- Use government relationships to secure provincial, regional, and federal support.
- Advocate for heritage protection and special designations.
- Restore funding for core municipal operations and maintenance.
- Represent community and neighbourhood concerns before council.
- Address short-term rentals through education, compliance and stakeholder cooperation.
- Review the 2012 zoning bylaw.
- Consult professional planners on development and heritage policies.
- Improve rural roads and road shoulders.

- Fund road maintenance to improve bicycle and agricultural-vehicle safety.
- Continue speaking openly and honestly.
- Promote transparent council discussion and decision-making.
