

Sandra O'Connor's principal promises:

- Implement the Climate Change Adaptation Plan.
- Protect the Greenbelt and agricultural land.
- Increase the tree canopy and urban green space.
- Require climate-resilient infrastructure standards.
- Use low-impact development and green infrastructure.
- Base environmental policy on scientific evidence.
- Finalize the Official Plan and secondary plans.
- Establish clear zoning bylaws, including contextual zoning.
- Protect heritage districts and designated buildings.
- Complete and launch the nurse-practitioner program.

- Plan for future healthcare needs as Glendale grows.
- Complete the sustainable-tourism strategy.
- Fully implement the municipal accommodation tax.
- Explore tourism shuttle services.
- Implement traffic-calming measures.
- Strengthen bylaw and short-term-rental enforcement.
- Introduce a bike-lane policy for road reconstruction.
- Improve bicycle-safety education.
- Coordinate bike infrastructure with Niagara Region.
- Remain accessible to residents and the media.
- Improve transparency concerning open and closed council sessions.
