

**Mike Brousseau** joined the board with a focus on modernization and inclusivity.

• **Professional Background:** He was an educator and technologist at Brock University for 16 years before joining the Municipal sector, serving as Chief Information Officer at Haldimand County. His expertise lies in educational technology, accessibility, digital privacy, and innovative municipal solutions.

• **Key Priorities:** During his campaign, he emphasized five main pillars:

- Fighting hate to keep schools safe
- Increasing funding for STEAM (Science, Technology, Engineering, Arts, and Math)
- Improving board transparency
- Building stronger communities
- Teaching 21st century skills

• **Personal Life:** Born and raised in the Niagara Region, Brousseau positions himself as an energetic and enthusiastic advocate for students, aiming to align the board's pace with the rapidly changing world students face today.

• **Key Committees:**

Finance, Program and Planning, Director Performance Appraisal
