

Lauren Bubnic

Professional Profile:

A Human Resources Leader with 10 yrs experience in organizational compliance, policy development, and training with a special interest in accessibility, equity, sustainability, and health & safety.

Recent town committee experience representing Niagara-on-the-Lake on the Joint Accessibility Advisory Committee for 7 Niagara Municipalities.

Key Priorities:

- NOTL parents deserve a voice through an actual NOTL resident and parent with a vested interest from having children currently in the school system
- Strive to make bus routes safer by reducing students crossing the road
- Bring a willingness to question processes and decisions and scrutinize financials instead of always going along with the status quo
- Raise awareness on available resources and supports for families
- Focus on helping parents navigate the school system and understand their rights
- Support equity, accessibility, and sustainability initiatives across the region

Personal Profile:

Niagara-on-the-Lake resident and mom of 3 in the elementary school system with the goal to bring a local and current perspective to the board and seek to contribute to women underrepresented in politics.

Education:

Bachelor of Commerce, Human Resources & Finance, Toronto Metropolitan University

Certified HR Leader Candidate, Human Resources Professionals Association (HRPA)

I look forward to engaging with you online or in-person as I won't be putting up campaign signs for a plastic-free campaign!
